

# **PETRUS-ANNETTE PhD Conference**

**26 to 30 June 2017**

Hosted by: Universidade de Lisboa - Instituto Superior Técnico - Lisbon, Portugal

Dedicated to:

## **Radioactive Waste Management and Geological Disposal**

This third event is co-organised within the **PETRUS** initiative (**P**rogramme for **E**ducation, **T**raining and **R**esearch on **U**nderground **S**torage) in collaboration with the **ANNETTE** European project granted by EURATOM.

The conference consists of two main components:

- A set of high quality lectures on radioactive waste disposal presented by outstanding international experts.
- Oral presentation and poster exhibition of on-going research work by participants.

**The best oral and poster presentations will be rewarded.**

We would like to invite PhD students and early-stage researchers who are involved in any aspects of radioactive waste research to submit an extended abstract of 1- 4 pages. We welcome also research subjects from the social and economic areas related to the radioactive waste management.

The working language of the conference is English.

**Participation in PETRUS-ANNETTE PhD Conference 2017 is free of charge\*.**

*\* Accommodation and travel is payable by the participants.*

Registration, abstract submission, and hotel information are available at:
